GUESTS + RENTAL DISCOUNT FOR 70 MM:

Instead of free ticket vouchers for guests, 70 MM members can bring up to **TWO** guests for FREE every visit. Plus, get **35% off** on a private theater rental once a year.

- 1. Guest Ticket Vouchers:** The free ticket vouchers for 35 MM members are intended to be used for guests, since all 35 MM members receive free admission to all regular screenings. The vouchers will **not** be accepted for any special event where member perks don't apply.
- 2. "Regular Screenings":** All first-run and a majority of our film series programming are considered "regular screenings." If perks are not available for a specific film/event, it will be noted when buying tickets online.
- 3. Art House Visiting Member Program:** The Art House Convergence Visiting Members (VMP) program allows members from participating theaters to visit other participating theaters and purchase tickets at the member discount, and affords them access to any other basic member benefits the "visited" theater chooses to offer. This program is designed to highlight independent exhibitors as destinations for those outside their home communities and to build sustained reciprocity between the art house industry as a whole and our patrons. See arthouseconvergence.org/visiting-art-house-membership-program for more information.
- 4. Private Theatre Rental:** The 70 MM rental benefit applies to one qualifying private rental annually, subject to availability and restrictions. To learn more about private theatre rentals, see kankanindy.com/theater-rentals/.
- 5. Potential charitable tax deduction:** Approximately \$1,000 of the \$1,500 individual 70MM membership cost may be tax-deductible as a charitable contribution. The estimated fair market value of membership benefits is \$500. Individual eligibility may vary; please consult your tax adviser.
